AN ALLY FOR NEW YORKERS The firm, under the leadership of Joseph P. Awad and Joseph Miklos, has more than 30 years of experience helping individuals and families recover from their harms and losses. Our team includes an attorney-nurse, an attorney-pharmacist, a physician on staff and expert consultants in medicine, economics, engineering and vocational rehabilitation. We are adept at handling all aspects of personal injury cases including settlement, trials and appeals. Silberstein, Awad & Miklos explores every option for ensuring a positive outcome for our clients and devotes an enormous amount of time and resources to each case. We never pursue frivolous lawsuits. We devote ourselves to the most meritorious cases on behalf of our clients. When a case goes to trial, we are formidable trial attorneys who employ cutting-edge technology to present a client's case to the jury.

DEDICATED TO THE COMMUNITY Awad comes from a blue-collar family and Miklos hails from the South Bronx, and both men understand and respect people from many diverse backgrounds. The firm's commitment to helping others goes beyond the courtroom. Our lawyers provide community service and have donated free legal representation on numerous occasions outside of the personal injury lawsuit. Examples of that service include the free representation of families of victims of the September 11th attacks on the World Trade Center, free seminars regularly held in local communities and sponsoring afterschool programs for children. We also volunteer in communities of diversity throughout Queens County. Our lawyers and staff extend their commitment to helping all people in our area through voter registration drives and encouraging citizens to participate in jury service.

PROFESSIONAL RESPECT AND RECOGNITION Our honest and ethical approach to the practice of law is recognized by our clients and peers alike. We have received the highest ratings from Martindale-Hubbell® and *The Bar Register of Preeminent Lawyers*. We are also recognized by *The Best Lawyers in America*. Awad is Past-President of the New York State Trial Lawyers Association (NYSTLA), Governor of the American Association for Justice and has served on the New York State Governor's Medical Malpractice Liability Task Force. Miklos is Past-President of NYSTLA's Long Island Affiliate and serves on NYSTLA's board of directors.
